Many Faces Skin Consultation - 45min \$60 redeemable

Redeemable on any skin treatment had on the day or booked in advance. Our extensive skin consultation will provide you with a thorough understanding of what is happening within your skin. The Dermagraph will take photographs of the underlying layers of your skin. You will be able to see your pigmentation, skin vascularity and your skin density. Your skin will be assessed under our woods lamp to determine oil flow and hydration levels. Your therapist will then be able to prescribe supportive homecare and a treatment program. You will also be provided with supplementation and nutritional recommendations to further enhance your results, in conjunction with a targeted treatment plan and customised skin care products. A mini Facial Treatment will be performed during this service.

FACIAL TREATMENTS

SUITABLE FOR ALL SKIN CONDITIONS

EXPRESS CUSTOM FACIAL TREATMENT - \$70 | 30min

The perfect treatment for your maintenance facial that is time poor, to give your skin a boost of actives and to maintain the results you have already achieved.

LEVEL1 CUSTOM FACIAL TREATMENT - \$99 | 45min

The perfect treatment for new visitors or as your maintenance facial to give your skin a boost of actives and to maintain the results you have already achieved. Your products and actives will be handpicked by your therapist to target your concerns to give an instant, healthy glow! Includes massage.

LEVEL 2 CUSTOM FACIAL TREATMENT - \$145 | 60min

A rejuvenating treatment that addresses your skin health on a deeper level. Designed to improve cellular damage, tone, colour, texture and structural integrity of your skin. Breathing new radiance and luminosity with a combination of enzyme peel, double layered mask, eye treatment, massage and customised actives.

LEVEL 3 CUSTOM FACIAL TREATMENT - \$195 | 75min

A restorative deluxe treatment that aims to illuminate the skin by strengthening its natural support system. The skin is refined, repaired and brightened using potent actives giving back to the skin hydration, firmness and radiance. Your deluxe treatment will be customised for you and your skin whilst we nurture you with all the extras, including, eye treatment, décolletage peel, massage and LED Light Therapy

LEVEL 4 CUSTOM FACIAL TREATMENT - \$245 | 90min

Our most high performance, indulgent treatment comprises the most active ingredients to intensify the penetration deeper into the skin to ensure maximum cellular hydration, detoxification and intense skin rejuvenation from the inside out. Combined with enzymatic exfoliation, extractions (if needed), LED light therapy, eye treatment, décolletage peel and double layered mask application and a heavenly massage including hands and feet.

ENZYME EXFOLIATION + LED - \$115 | 45min

This is our 'go to' for immediate skin boosting results...

A combination of gentle enzymes including pineapple and papaya work to sweep up surface debris to reveal smooth, healthy skin! Perfect for all skin types even the most sensitive skins and pregnant women (as it contains NO acids) Then finished off with LED Light Therapy for healing, anti ageing, hydration and rejuvenation.

MICRODERMABRASION FACIAL - \$99 | 45 min

Microdermabrasion is a non-surgical procedure that deeply exfoliates your

skin to stimulate new cell growth and increase collagen production. A gentle vacuuming system and diamond tip lifts the skins surface and comfortably exfoliates the epidermis to remove dull, dead skin cells and unclog pores leaving you with a bright even complexion.

THE EXTRACTION FACIAL

For skin that needs to be clean and clear!

This facial is all about deep cleaning the gunk and build up from the pores, using expert extraction techniques and professional products that work to remove bacteria and congestion to help speed up the healing process.

Perfect for teens, acne prone and congested skin conditions.

\$75 | 30min

\$99 | 60min * Includes Led Light Therapy

Add a Micro or Peel \$35

MINDFULNESS FACIAL

\$139 | 60 min

\$179 | 90 min

Experience skin results with relaxation with this massage filled aromatherapy facial by Ginger & Me. During the mask, headphones will be applied and you will experience a 12 minute mindfulness/meditation session to ensure you achieve deep relaxation and leave in the best state of mind. The 90 minute treatment is further enhanced by the addition of a corrective peel and LED light therapy, providing you a glowing skin result.

Perfect for all skin types

GINGER&ME Clinical Spa Treatment \$99 | 40 min

Perfect for time poor, skin focused individuals wanting a no fuss treatment with all the results. Perfect for all skin types

Lymphatic Therapy Facial \$145 | 70 min

Lymphatic Therapy is a tightening mask designed to work with your circulatory system - an often overlooked, but vital component of optimal skin health. This organ system is responsible for removing waste via our lymphatics and nourishing our cells and tissue via our blood supply. These systems always work together, taking and giving, maintaining homeostasis.

Perfect for all skin types

Epidermal Levelling \$129 | 50 min

Epidermal Levelling is an effective clinical treatment that exfoliates your facial fuzz while removing the nasties from the surface of the skin. The glide of a gentle, surgical blade will decongest and resurface for the result of smooth, even and soft skin. We add on an oxygen mask or gentle peel and mask to maximise results.

Add a High-performance Mask \$25

Add Intraceuticals Oxygen Infusions \$50

Non Surgical Face Lift \$169 | 60 min

Ultra lift is muscle reactivation and cellular stimulation. This is achieved through electro muscle stimulation via controlled electrical pulses. Bio ultra-lift repairs, regenerates, heals, firms and lifts your skin! Energy within the skin is increased by up to 500%, intra-cellular electrolytes are restored, micro-circulation is increased and the underlying facial muscles are strengthened and firmed. The result is lifted, rejuvenated and firmer looking skin.

SPA ENZYME FACIAL TREATMENT

45 MINS | \$135

60 MINS | \$149

This results driven facial offers a spa twist for the ultimate indulgence. An

effective exfoliation is performed using O cosmetics enzyme treatment Peels, we have 4 picks from targeting your skin concerns. Followed by a luxurious massage and application of a specialized Alginate mask. This facial address your skin concerns whilst being beautifully relaxing.

Power Peel 45 mins | \$145

(SKIN MUST BE PREPPED WITH SUPPORTIVE HOME CARE)

Our most advanced peeling treatment; two of our Corrective Facial Peels are layered to rectify multiple skin concerns. A treatment prescribed by your therapist.

Intracutaneous Oxygen Facial 50min | \$130

This thirst-quenching facial is for dull and dehydrated skin. Refine and resurface your skin with natural fruit acids; even your complexion with multivitamins and hydrate and nourish with the finishing hydration infusion. Perfect for all skin types, specially before a special event.

Add a Micro or Peel \$35

Add Eye & Lip Masks \$35 or individual \$20

DERMAPEN 4

A Dermapen treatment tailored to your skin concerns will be performed. Tiny punctures in the surface of the skin will produce an immune response, and subsequently the production of new collagen. The results will be tighter firmer skin. The channels produced during treatment act as pathways for topical nutrients to be infused deep within your skin to correct your concerns. The Dermapen can be performed safely near and over the eye area, on the neck and décolletage or on parts of the body to treat newly formed stretch marks. It is safe to be performed on all skin types and tones without the risk of the side effects associated with fractional lasers or heat inducing treatments. A cooling mask infused with super hydrating ingredients will ensure skin that is plump and dewy with minimal downtime.

Dermapen Pro Single: \$299 Package: 4 DP Treatments & 4 Power Peels (fortnightly Treatments) \$1200

Includes a double cleanse, exfoliation, LED Light Therapy, Skin Needling with advanced skin specific infusions, cloth mask and Cover Recover foundation.

Dermapen with Meso glide infusion & Mask

Dermapen Elite Single: \$340 Package: 4 DP Treatments & 4 Power Peels (fortnightly Treatments) \$1400

Includes a double cleanse, exfoliation, LED Light Therapy, Skin Needling with advanced skin specific infusions, customised peel, customised cloth mask and Cover Recover foundation.

LED Phototherapy

LED is used to treat pigmented age spots, inflammation and redness, fine lines

and wrinkles, acne and breakouts, rosacea, psoriasis, and cold sores.

LED Stand Alone Treatment \$60

Includes cleanse, exfoliation, 20-minute LED treatment, corrective serum and SPF application

LED Add-On Treatment \$35

Can be added on to any complete spa facial, corrective facial treatment, advanced skin treatment or teenage treatment.

IPL Skin Rejuvenation / \$250 Spot Treatment from /\$50

(SKIN MUST BE PREPPED WITH SUPPORTIVE HOME CARE)

If your skin has been on more than a few swings around the sun, perhaps it's time to

wind the clock back. Intense Pulsed Light (IPL) Skin Rejuvenation uses the power of

light to reverse signs of ageing. You can reduce or even remove blemishes like

pigmentation, broken capillaries, sun damage, age spots and redness.

IPL Hair Removal

IPL is the safe, fast & permanent alternative to waxing.

For best results, we recommend 6 treatments –
